

# CITY OF LODI

## COUNCIL COMMUNICATION

**AGENDA TITLE:** Plans and Specifications and Advertisement for Bids for Pleasant Avenue Telecommunications Conduit - Elm Street to 300 Feet North of Locust Street (Public Safety Building to the Library Building)

**MEETING DATE:** October 15, 1997

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council approve the plans and specifications for the above project and authorize advertising for bids.

**BACKGROUND INFORMATION:** This project consists of installing 850 lineal feet of communication conduit between the Public Safety Building and the Library Building. The purpose of the conduit is to provide the Library with a direct phone connection to the City's phone network located in the Public Safety Building and to provide additional phone lines and direct connection to the Emergency Operations Center that is located in the Library's conference room. It will also provide future computer connection capabilities to the Public Works and Public Safety computer networks during emergency conditions.

**FUNDING:** A recommendation for funding this project and the additional cost of the actual phone lines and communication conductors, and a request for appropriation of funds, will be made at contract award.

Project Estimate: \$21,000  
Planned Bid Opening Date: November 5, 1997

  
Jack L. Ronsko  
Public Works Director
